Good Citizen Day ~ Tuesday, October 6, 2020

Good Citizen Day, is an engaging, all-day civics education program. This year's program was postponed, and now scheduled for **Tuesday, October 6, 2020.**

This unique program begins at 9:00am and runs through 8:30pm.

The program is fun, fast-paced, interactive and educational. In the morning, students work in small groups for fun “ice-breakers,” role playing and discussion about the rights and responsibilities of citizenship. After lunch, the group travels to Philadelphia City Hall. At City Hall, students explore “civics in action” by participating in interactive legislative, executive, and judicial programs. After City Hall, everyone returns to the Union League for a celebratory reception and awards banquet.

Good Citizen Day started in 1946 to recognize high school students who demonstrate good citizenship, and encourage them to stay actively engaged in their communities. Youth-serving organizations nominate students for the Good Citizenship Award and to attend Good Citizen Day. Each year, nearly 300 students gather for the day to meet one another, discuss the rights and responsibilities of citizenship, debate issues, and are honored and recognized as “good citizens.”
