

The Union League Legacy Foundation Giving

The Foundation uses the League's legacy of service to community and country to educate and inspire students, members, and the general public to be more engaged and responsible citizens.

We need your support to further the mission of our work. Attend our programs, explore our collections, and learn more about the values of the League and how they can inform our future.

Funding for the work of the Legacy Foundation is provided through voluntary contributions from members and others who share in the values of the Union League and who wish to promote those values to the leaders of today, and tomorrow.

With your help, many more will say...
This is my legacy.

Every gift makes an impact.
